

## HAPPY CLIENTS

"The evening was a complete success, with a large part due to the hysterical performance of Mike Loder" - **Bill Geradts, DVD Awards**

"Mike was an awesome addition to the grand line up for the NZ Entertainment Awards. His quick wit and hilarious humour kept audiences riveted throughout his whole performance and left him with a standing ovation wanting more." - **Georgina Mason, Event organiser**

"Thank you for doing such a first class job at short notice at the IIAA seminar. The feedback from the day was excellent and this is great testimony to your ability, being able to entertain insurance people with your own brand of stand up comedy.

I have of course enjoyed your routines at various comedyfests and stand up clubs but I was particularly impressed with the way in which you picked up the tenor of the group and altered your routine to fit the corporate environment.

In the corporate sector it is usually the television comedians that rule the after dinner slots and very rarely are any entertainers able to command a presence during the business sessions of a conference. You have a unique ability to enter into this corporate market and introduce a new brand of corporate humor. Congratulations again" - **Jim Hainey, Executive Director, SPEAKERS NZ**

"Sincere thank you for your presenting at our forum. With very little briefing and time to prepare, I was pleased at how perfectly you achieved the goals for the forum, to educate in an entertaining way.

Feed back already received confirms that the message came across loud and clear, all were very impressed with the professionalism and knowledge of the topic matter discussed.

With two days to review a script and half an hour to meet and work with two other guests, the results were astounding – brilliant. I will gladly use your services at other events and functions and recommend you to my colleagues and friends.

Thank you for making the event such a wonderful success" - **Raewyn Benge, Call Centre Forum Chairperson DMA Northern Branch**

"Mike has performed at the COCK & BULL on numerous occasions. We have found Mike to be professional in all aspects. He has the crowd in raptures whenever he appears. We would have no hesitation recommending Mike to appear in any situation " - **Kieran Meyer, Manager**

"Mike is a clever, quick witted & flexible individual. I say flexible, because radio being the "fluid" industry it is, on air presentation needs to adapt quickly & appropriately to situations that arise. I have no hesitation in saying that Mike's talent enhanced RADIO HAURAKI." - **Tim Lawrence, Programme Director**

"Both professionally and personally I found Mike very easy to deal with. I would have no hesitation inviting Mike back to perform on future cruises and would recommend him to anyone looking for a talented comedian " - **Matt Patterson, Promotions Manager, MORE FM**

"I have toured Mike Loder several times, always with hilarious results. I recommend Mike to anyone wanting a consistent, reliable performer of original material " - **Grant Rossoman, ROSSO PROMOTIONS**

"Michael's teeth are in excellent condition and he cares for them well" - **Peter Bolot, BDS, Newmarket Dental Group**

"Polished, and professional stand-up. Delightful first-class comedy" - **Reviewer: Holly Shanahan**

"Our clients were thrilled with the stand up comedy segment you provided at their end of year function and have been extremely enthusiastic with their praise. They were particularly impressed with your originality, which I'm told kept them in stitches throughout your "Hilarious" routine. Reports from our own staff confirm that you are indeed a very talented and very funny man!

"Thank you for helping us out at such short notice. Your professionalism, flexibility and wonderful performance was greatly appreciated and made for a very memorable and thoroughly enjoyed evening. We have no hesitation in recommending or hiring your services in the future " - **Sharon Tumberidge, EVENTUS PRODUCTIONS**

"Hilarious. Mike Loder is a thoroughly professional comedian. Book him for your next event " - **Arther Neely GME, Vodaphone**

"Notwithstanding his style (Mike Loder) was completely different from other comedians, we thought he was great. The various comments received to describe the evening have included 'Just wonderful', 'exceptionally entertaining', 'a brilliant night', 'a repeat performance in the future is a must' and various other complimentary remarks" - **June Graham, Simpson Grierson Law, Auckland.**

"Mike Loder performed for us at an Auckland concert. His continuity role involved maintaining audience interest during band changeovers and he not only entertained the large spread out crowd, but added greatly to the overall success of the afternoon. This is always a testing task and Mike's professionalism and fresh comedy routine was greatly appreciated by the crowd and myself. I would highly recommend him as a continuity act or a leading performer " - **Daniel Young, Concert Organiser**

"Quick off the mark, audience repartee extraordinary, get him if you can" - **Vicki Lee, Blue Seal Cafe**

"When the Aussie Dept of Foreign Affairs decided to issue a travel warning for people visiting NZ there was no one better-placed to give us an eye witness report from dangerous downtown than Mike Loder...A fabulous piece of spontaneous comedy reporting" - **Damian Rabbit, Producer, 720 ABC Perth**

"Very professional, organised and bloody funny. Razor sharp mind" - **Erina Tamepo, Maori TV**
